<p>5. PWS Facility Surcharge*</p> <p>In the development of the City's Personal Wireless Services (PWS) Facility ordinance, the City incurred approximately \$67,482.84 in legal, professional service, and duplication fees for evaluating the legal, technical, and administrative feasibility of said ordinance. These out-of-pocket costs to the City shall be recovered from PWS Facility Permit applicants through a permit application surcharge until the costs are recovered. It was the City's goal to recover said costs within three years. Based upon testimony presented to the City Council during the development of said ordinance, the Council anticipates that the City will receive approximately 20 PWS Facility Permits per year.</p> <p>The City's Finance Department shall establish a procedure for accounting for the application surcharge and inform the City Manager and Public Works/Community Development Directors when all of the City's out-of-pocket expenses have been recovered. Thereafter, the application surcharge shall expire. Provided, however, that the application surcharge shall not expire until such time as the City recovers all such expenses.</p>	<p>1,382.00</p>	<p>1,468.00</p>
