

**- QUESTIONNAIRE -**

**CITY OF ISSAQUAH  
NEWPORT WAY/MAPLE STREET  
ROAD AND BRIDGE IMPROVEMENTS PROJECT  
(Page 1 of Two)**

In the next ten (10) months, the City of Issaquah will analyze alternatives for improving the Newport Way/Maple Street corridor from SR 900 to Sunset Way. To date, no specific plans or any decisions have been made about this project. We need your input to plan and design the best possible combination of facilities to serve vehicles and people.

The City, under the State Environmental Policy Act (SEPA), has determined that significant environmental impacts are likely to occur as a result of implementation of the roadway improvements. Therefore, an Environmental Impact Statement (EIS) will be prepared to analyze those impacts.

Please help us determine important issues to consider during the design and EIS process by taking a few minutes to answer the following questions. Thank you for your assistance.

1. Please indicate below whether you think the following alternatives should be a high priority for the City, a medium priority, or a low priority:

	<u>High Priority</u>	<u>Medium Priority</u>	<u>Low Priority</u>
A. Adding more vehicle traffic lanes.	_____	_____	_____
B. Adding lanes for car pools and buses.	_____	_____	_____
C. Increasing and/or improving public transit service.	_____	_____	_____
E. Providing and/or improving sidewalks, trails and bicycle facilities.	_____	_____	_____
F. Improving traffic safety.	_____	_____	_____
G. Improving pedestrian safety and and crosswalks/school crossing.	_____	_____	_____

2. Do you live in the City limits of Issaquah and use any portion of this roadway corridor to commute?

\_\_\_\_\_ Yes                      \_\_\_\_\_ No

3. Do you live outside the City limits of Issaquah and use any portion of this roadway corridor to commute?

\_\_\_\_\_ Yes                      \_\_\_\_\_ No

4. Do you live or have a business along this roadway corridor?

\_\_\_\_\_ Yes                      \_\_\_\_\_ No

**- QUESTIONNAIRE -**

**CITY OF ISSAQUAH  
NEWPORT WAY/MAPLE STREET  
ROAD AND BRIDGE IMPROVEMENTS PROJECT  
(Page 2 of Two)**

5. To what extent should the City widen and improve Newport Way from Sunset Way to Juniper Street, if at all?

---

---

6. To what extent should the City widen and improve Newport Way or construct Maple Street from Juniper Street to SR 900, if at all?

---

---

7. Do you have questions or concerns about the environmental impacts of the proposed improvements which should be included in the Environmental Impact Statement?

---

---

8. Would you like to serve on an advisory, or steering committee for this project?  
Meetings are generally scheduled in the late afternoon and occur once a month.

\_\_\_\_\_ Yes                      \_\_\_\_\_ No

9. Additional comments or questions:

---

---

---

---

10. If you would like us to send you notices of any future public meetings, including those of the advisory committee, and/or updated information as the project proceeds, please give us your name and address:

Name: \_\_\_\_\_

Street Address: \_\_\_\_\_

City, State, Zip: \_\_\_\_\_

Telephone: \_\_\_\_\_
