

RESOLUTION NO. R2007-67s

**A Resolution of the Pierce County Council Authorizing the Pierce County Executive to Execute an Interlocal Agreement with the City of Orting for the Transfer of a Portion of the Orting Sewer Service Area to Pierce County.**

**Whereas**, the City of Orting (subsequently referred to as Orting) currently is the authorized sewer service provider for that part of unincorporated Pierce County where the Cascadia development project is located in addition to certain adjacent properties (see attached Exhibit A, a map of the Orting Sewer Service Area which is the subject of this Resolution, and which is incorporated by reference into this Resolution); and

**Whereas**, the sewer service area depicted in Exhibit A to this Resolution will subsequently be referred to as “the Service Area;” and

**Whereas**, Orting has requested that Pierce County become the sewer service provider for the Service Area and Pierce County has agreed to become that provider; and

**Whereas**, Orting and the County understand that the formal and legal transfer of the Orting Service Area to the County’s Service Area will take approximately two to three years; and

**Whereas**, the parties agree that an arrangement is necessary to provide sewer service to the Service Area during the interim period while the service area transfer is being completed, and that the arrangement will be implemented by an Interlocal Agreement between Orting and Pierce County; **Now Therefore**,
