13.06.650 Application for rezone of property.

A. Application submittal. Application for rezone of property shall be submitted to the Building and Land Use Services Division. The application shall be processed in accordance with the provisions of Chapter 13.05. Final action on the application shall take place within 180 days of submission.

B. Criteria for rezone of property. An applicant seeking a change in zoning classification must demonstrate consistency with all of the following criteria:

1. That the change of zoning classification is generally consistent with the applicable land use intensity designation of the property, policies, and other pertinent provisions of the Comprehensive Plan.
2. That substantial changes in conditions have occurred affecting the use and development of the property that would indicate the requested change of zoning is appropriate. If it is established that a rezone is required to directly implement an express provision or recommendation set forth in the Comprehensive Plan, it is unnecessary to demonstrate changed conditions supporting the requested rezone.
3. That the change of the zoning classification is consistent with the district establishment statement for the zoning classification being requested, as set forth in this chapter.
4. That the change of the zoning classification will not result in a substantial change to an area-wide rezone action taken by the City Council in the two years preceding the filing of the rezone application. Any application for rezone that was pending, and for which the Hearing Examiner's hearing was held prior to the adoption date of an area-wide rezone, is vested as of the date the application was filed and is exempt from meeting this criteria.
5. That the change of zoning classification bears a substantial relationship to the public health, safety, morals, or general welfare.

C. Amendment of boundaries of districts.

1. Whenever this chapter has been, or is hereafter, amended to include in a different district, property formerly included within classified district boundaries of another district, such property shall be deemed to thereupon be deleted from such former district boundaries.
2. Right-of-way, which has had prior approval for

vacation pursuant to Chapter 9.22 or which is hereafter approved for vacation, shall be deemed to be added to the district boundaries of the property which the vacated right-of-way abuts. In instances where a vacated right-of-way is bordered on one side by a district which is different from the district on the other side, the right-of-way shall be deemed to be added apportionately to the respective districts.

D. Limitation on rezones in downtown districts.

After the area-wide reclassification establishing the downtown district boundaries has occurred, no property shall be reclassified to a downtown district, except through a subsequent area-wide reclassification.

E. Limitations on rezones in Mixed-Use Centers.

After adoption of the area-wide reclassifications establishing and confirming the Mixed-Use Center district boundaries in 2009, no property shall be reclassified to a Mixed-Use Center district except through a subsequent area-wide reclassification.
