

CITY OF YELM
ORDINANCE NO. 891

AN ORDINANCE amending Yelm Municipal Code Title 13, by amending Subsection 13.04.250 (B), Monthly Consumption Charges by adding a seasonal irrigation rate to tiers three and four of the current block rate structure.

WHEREAS, the State of Washington and Washington State Department of Health have declared the efficient use and conservation of water to be a public purpose of high priority; and

WHEREAS, the City of Yelm has historically promoted water use efficiency and conservation by funding and implementing various water conservation strategies; and

WHEREAS, the City continues its efforts to achieve conservation, which reflects responsible use of a precious natural resource; and

WHEREAS, City of Yelm uses exponentially more water during the peak summer demand months due to seasonal irrigation,

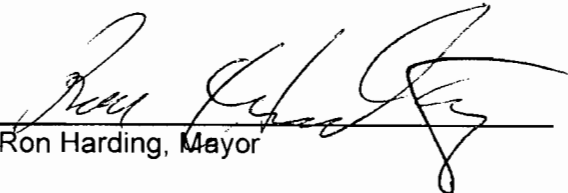

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF YELM, WASHINGTON DO ORDAIN AS FOLLOWS:

Section 1. Amending Subsection 13.04.250 (B), by adding a seasonal irrigation rate to the current block rate tiers three and four for all irrigation meters and residential meters for the period of June 1 to October 1.

The monthly consumption charges for all irrigation meters and residential meters for the months of June 1 to October 1 will be as follows:

0-600 c.f.	601-1000 c.f.	1001-2400 c.f.	2,400 + c.f.
\$1.15	\$1.80	\$3.45	\$5.34

Section 2. This ordinance shall be in effect and be in force five days following passage and publication.
