

Request for Proposal - Travel Demand Model Prof. Eng. Services

REQUEST FOR PROPOSALS CITY OF LAKEWOOD Travel Demand Model Professional Engineering Services

City of Lakewood (City) is Requesting for Proposals (RFP) from firms qualified and interested in providing professional engineering services to assist the City with the development of a travel demand model.

Project Description

The primary objective of this project is to develop a City of Lakewood Travel Demand Model using current data sources including Puget Sound Regional Council (PSRC), Pierce County, and City of Lakewood. This model will be utilized for comprehensive plan updates, sub-area planning, land use analysis, and potentially traffic impact fees.

The City is requesting consultants to analyze the City's current and future needs in order to select modeling software for this project. The City is considering purchasing the software for future model updates and analysis.

Proposal Requirements

The City encourages disadvantaged, minority, and women-owned consulting firms to respond.

The Consultant shall comply with the regulations relative to nondiscrimination in the same manner as in Federal-assisted programs of the Department of Transportation, Title 49, CFR, Part 21, as they may be amended from time to time. The Consultant shall comply with the American Disabilities Act of 1992, as amended.

The proposal shall be limited to 10, 8 ½" by 11", 11 pt. font pages not including the cover. Please submit five (5) copies of your RFP to: City of Lakewood, Office of the City Clerk, 6000 Main Street SW, Lakewood, WA 98499 no later than 5:00 PM, Friday, September 29, 2006.
